

Pre-Kindergarten and Kindergarten Registration Dates

Registration for Pre-Kindergarten (PK) and Kindergarten students for the 2018-2019 school year will be held at the Franklin Parish School Board, 7293 Prairie Road, Winnsboro, Louisiana from 8:00 a.m. to 2:00 p.m. on the following dates: Baskin, April 16; Winnsboro Elementary, April 17; Crowville, April 18; Gilbert, April 19; and Fort Necessity, April 20. Registration will be closed from 12:00 – 12:30 for lunch.

To enter PK, a child must be 4 years old by September 30, 2018, and a kindergarten student must be 5 years old by September 30, 2018. No children will be registered prior to the scheduled roundup date for the school zone in which they reside.

Students completing PK in a Franklin Parish School or Franklin Parish Head Start for the 2017-2018 school year will not be required to register again for a 2018-2019 kindergarten class unless they have changed residence. The parent must still provide an up-to-date immunization record prior to the beginning of school for a kindergarten student.

To enroll a student, the parent/guardian will be required to complete a registration packet and provide the following documents: two (2) proofs of 911 residence, birth certificate, social security card, and an up-to-date immunization record. Immunization records must be up-to-date as of the registration date. Students requiring additional immunizations between the roundup date and the beginning of school must receive them and provide the up-to-date record before the student will be allowed to attend school. This is State Law. Registration will not be complete until all documents have been provided.

PK students with completed registrations at the roundup will be admitted into the class in the order that completed registrations are received. PK is limited to no more than 20 students. If more than 20 students for one class are enrolled at the roundup, a pre-test will be administered to students who registered at the roundup to identify the most at-risk students.

Parents can register PK students after the roundup; however, when the number of students reaches 20, the class will be full. Additional students will be placed on a waiting list. If the class enrollment changes, students on the waiting list will be notified of vacancies in PK classes in the order they were placed on the waiting list. Incomplete registrations will not be placed on the waiting list until all documentation is complete.

“P.O. Box” numbers will not be accepted as proof of residence.

For more information about registration, contact the school principal or Mr. Dewayne Day, Supervisor of Child Welfare and Attendance at the Franklin Parish School Board, at 435-9046.
